

Let the adventures continue as you become one of your backyard friends!

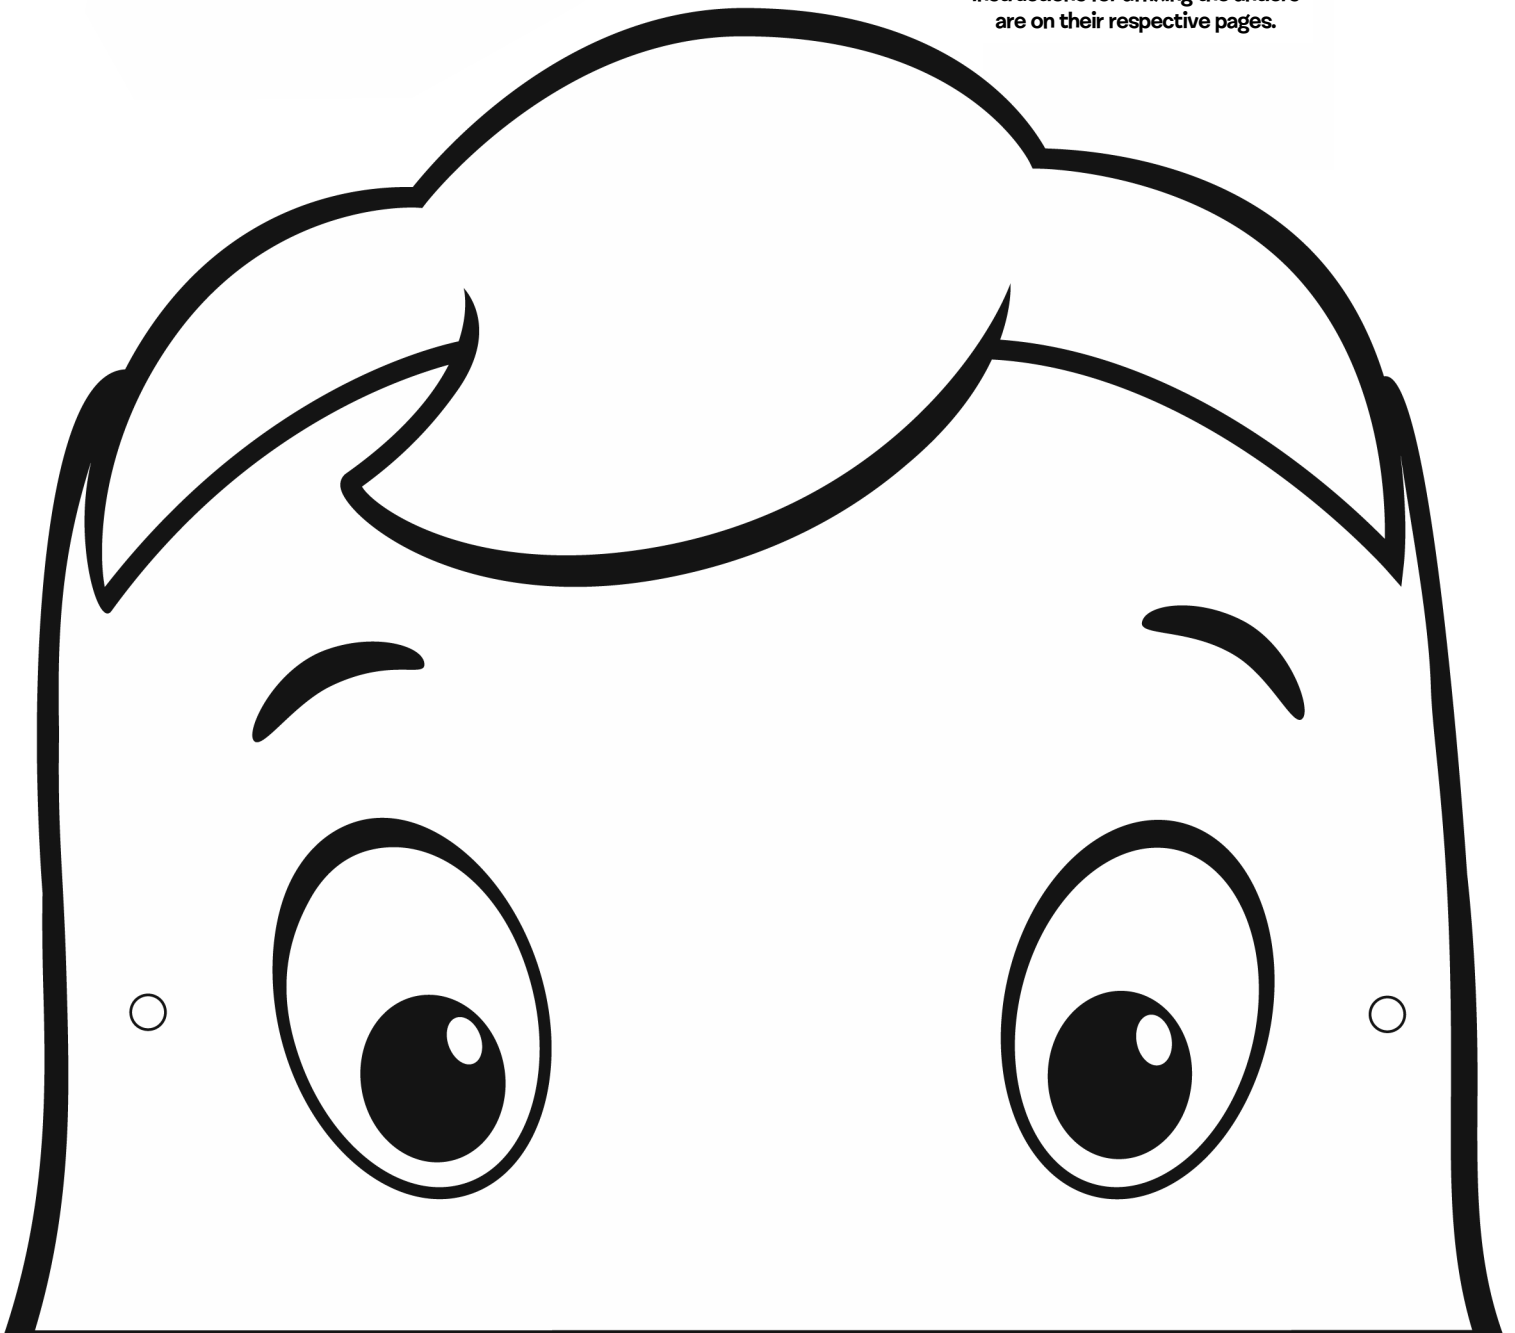

Parents: Ask your kids to color in the mask below and let their imaginations run wild! Once they are finished coloring, cut out the mask along the outer black line. Cut out eye holes. Make small holes on the sides of the mask where you can insert yarn to tie on the mask.

Parents: Please note that this mask is made up of three separate components. Assembly instructions are on each page.

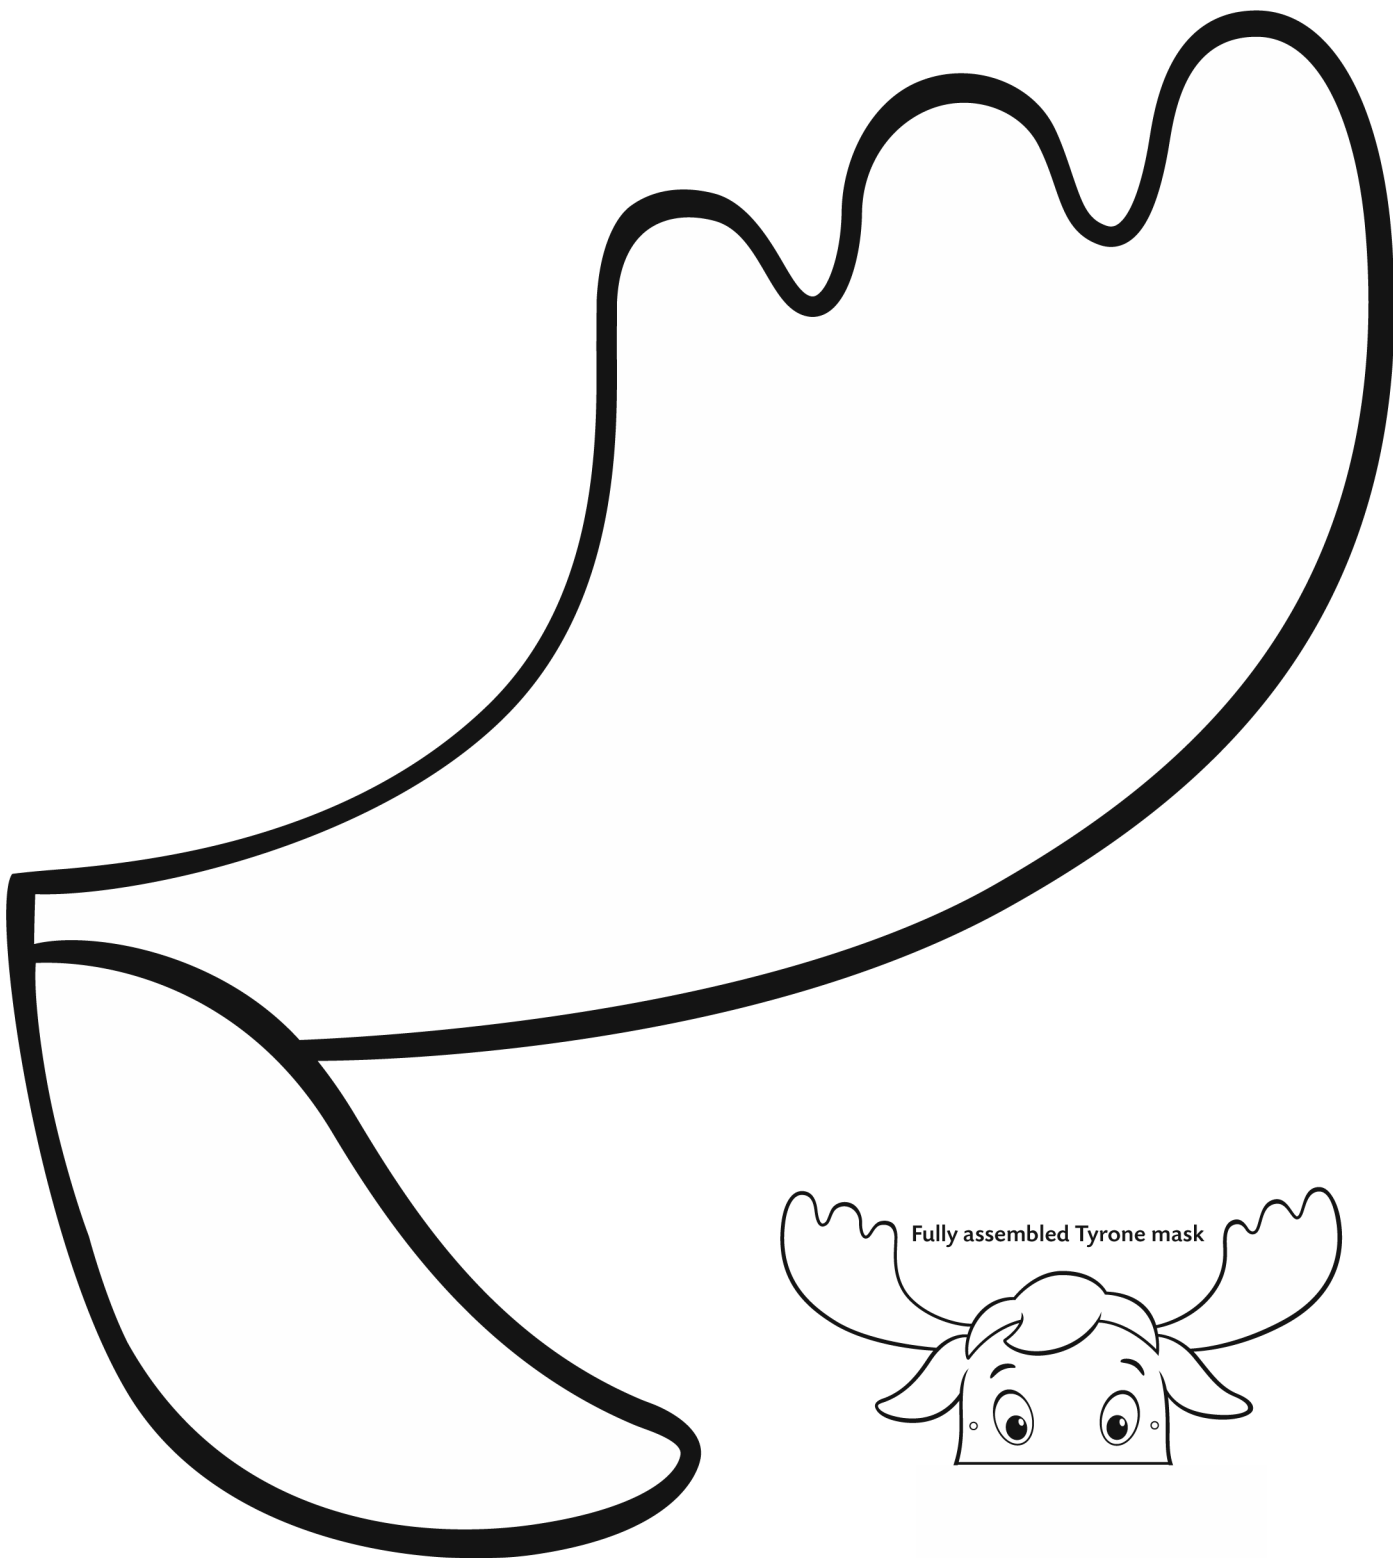

Fully assembled Tyrone mask

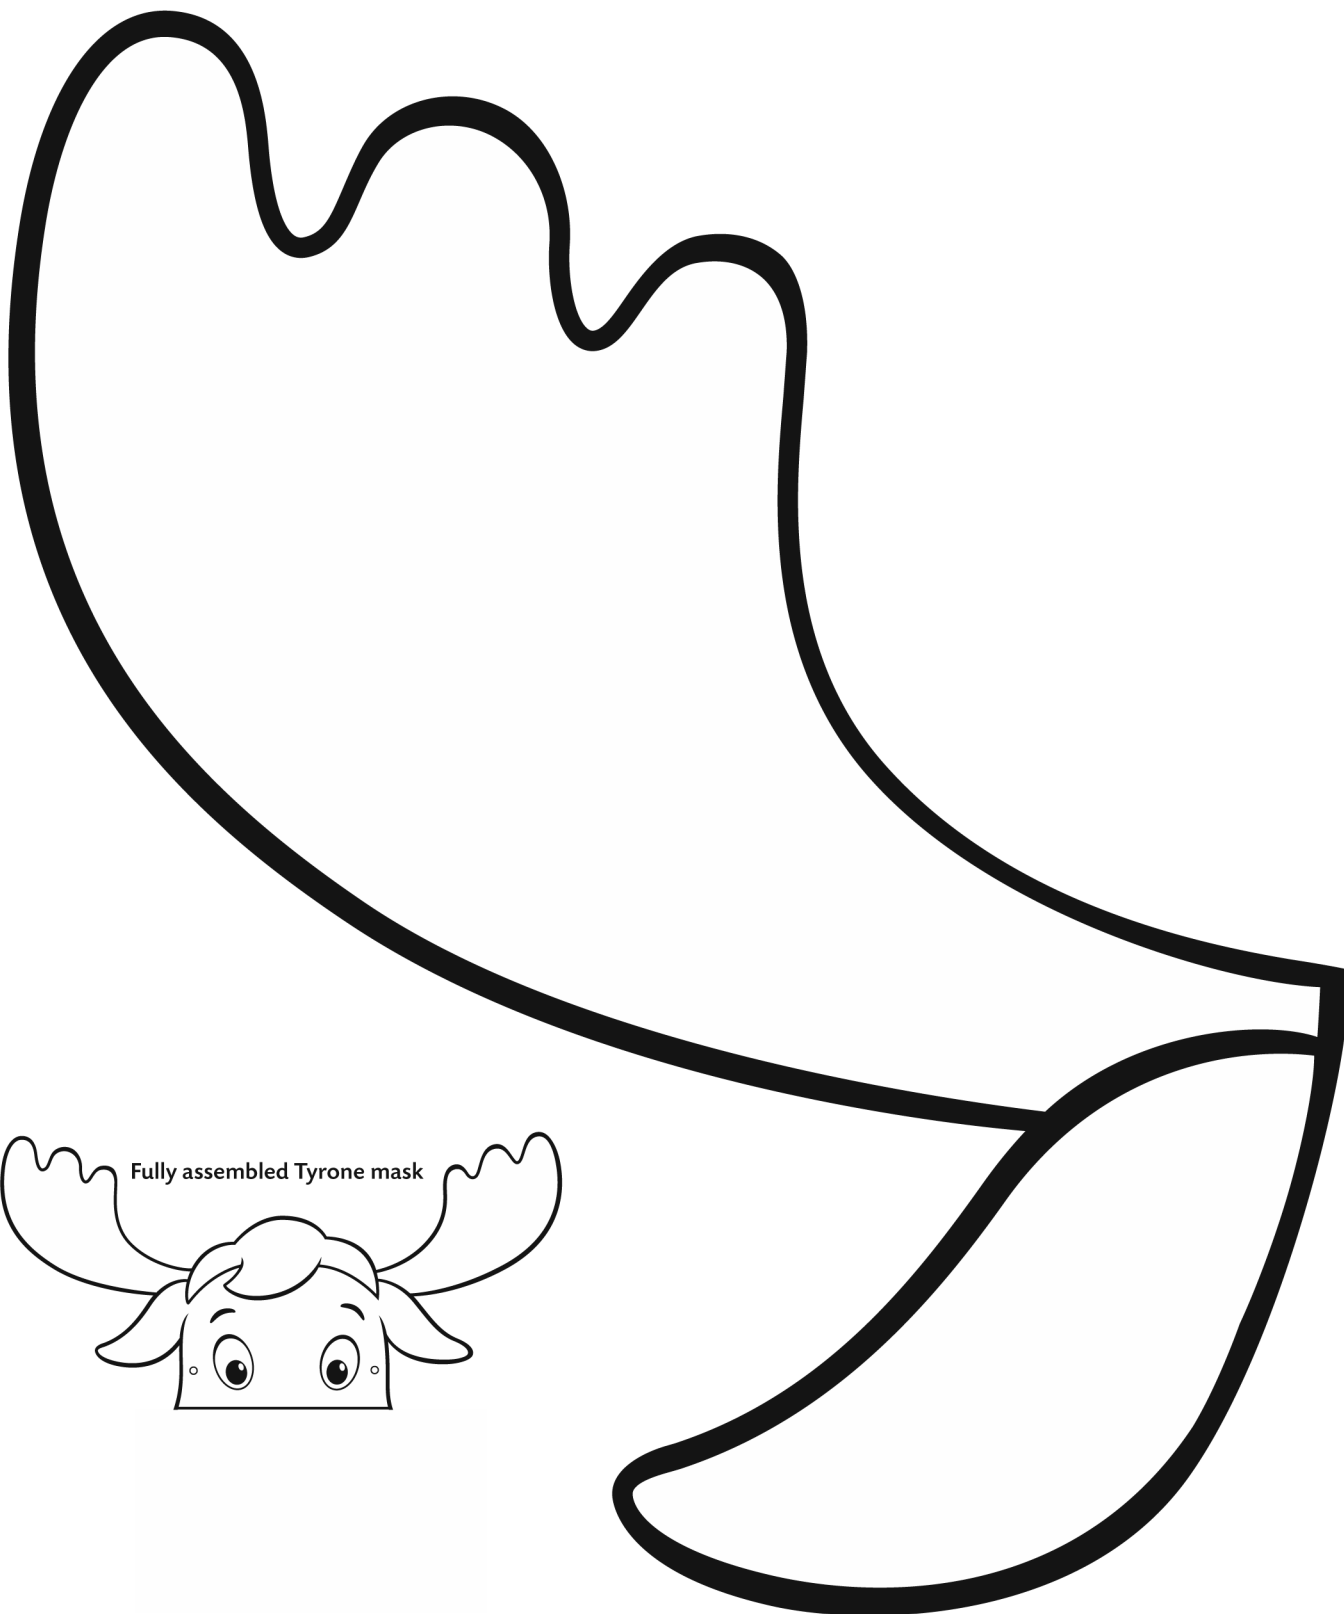

Instructions for affixing the antlers are on their respective pages.

Parents: Once your child has colored in this antler, please cut along the outer black line and tape to the right side of Tyrone's mask.

Parents: Once your child has colored in this antler, please cut along the outer black line and tape to the left side of Tyrone's mask.
